Continuing Medical Education (CME) Credits

The Minnesota Osteopathic Medical Society (MOMS) is accredited by the American Osteopathic Association (AOA) to provide osteopathic continuing medical education (CME) for physicians. The MOMS designates this program for a maximum of 20 AOA Category 1-A credits and will report CME credits to AOA commensurate with the extent of the physician's participation in these activities.

Application for CME credit will be filed with the American Academy of Family Physicians. Determination of credit is pending.
